

ANDREAN HIGH SCHOOL

CHRIST IS MY TEACHER

Internship: Internship will provide students with a real-world application of discipline specific and content knowledge skills as well as allow observation of and exposure to career specific industry experience. The internship will be selective in nature and serve as a capstone course reserved primarily for 12th grade students.

Requirements for Acceptance into the Internship Program

The selection to engage in an Andean High School Internship experience is a privilege and honor. Interns are representing themselves, their families, and the high school in an adult career environment. Students will need to set the internship experience as a priority and be available to report to an off-campus site 2-4 days per week during regular school hours (6th and 7th periods) as well as after school hours depending on individual intern site schedule..

Intern Students will have:

- Completed an application and the interview process
- Earned or in process of earning all credits for graduation
- Completed all Core 40 classes by the end of his/her senior year
- Completed the Career Information and Exploration course prior to the Spring semester of their Senior Year
