## **Business Department**

Interning will provide students with a real-world application of discipline specific and content knowledge skills as well as allow observation of and exposure to career specific industry experiences. The internship will be selective in nature and serve as a capstone course for 12th grade students.

### **Requirements for Acceptance into the Internship Program**

The selection to engage in an Andrean High School Internship experience is a privilege and an honor. Interns represent themselves, their families and Andrean in an adult career environment. Students will need to set the internship experience as a priority and be available to report to an off-campus site up to 4 days a week during regular school hours (6th and 7th periods) as well as after school hours depending on individual intern site schedules.

### **Interns must meet the following criteria for eligibility**

Completed application (due Friday, February 27, 2026)

Earned or in the process of earning all credits for graduation

Completed all Core 40 classes by the end of his/her senior year

Must have completed or be in the process of completing a postsecondary-ready competency requirement for graduation, such as earning the Honors Diploma, achieving a qualifying SAT/ACT benchmark score, or completing 3 AP/DC courses

Excellent attendance

An exemplary discipline record

A minimum of 3.0 GPA

Reliable transportation

Valid driver's license and proof of insurance

Proof of health insurance
